

Using eBooks from Library2Go with a Sony eReader

You can check out and download the following types of digital material through Oregon Digital Library Consortium's Library2Go:

Adobe™ EPUB eBooks

Adobe™ PDF eBooks

To access these digital materials you will need:

A valid library card from Fern Ridge Library

Internet access

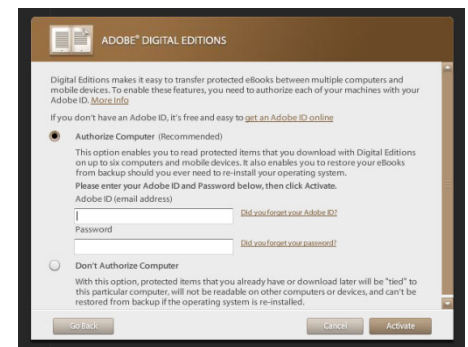

A computer that meets the system requirements for the type(s) of digital material you wish to check out

Adobe Digital Editions (Free download available on Library2Go website)

To install and use Adobe Digital Editions, JavaScript must be enabled in your browser and Adobe Flash player must be installed.

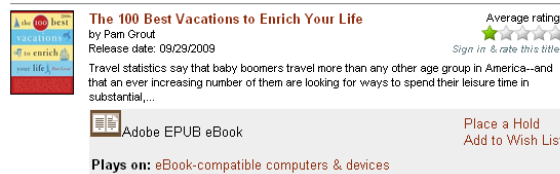

After installing Adobe Digital Editions, the software must be activated using an Adobe ID that allows you to download and read DRM-protected eBooks on multiple computers and transfer them to supported eBook devices. If you do not already have an Adobe ID, click 'get an Adobe ID online' and follow the instructions.

To check out and download eBooks to your computer:

Browse or search Library2Go for downloadable material.

Overdrive contains both downloadable and audio books; look for the Adobe Digital Editions symbol to identify eBooks

Add book to your 2GoCart and proceed to checkout and download. Once the download is complete, open the file while Adobe Digital Editions is open on your computer and the book will be added to your Adobe Digital Editions 'Library'.

To Transfer eBooks from Adobe Digital Editions to a Sony eReader:

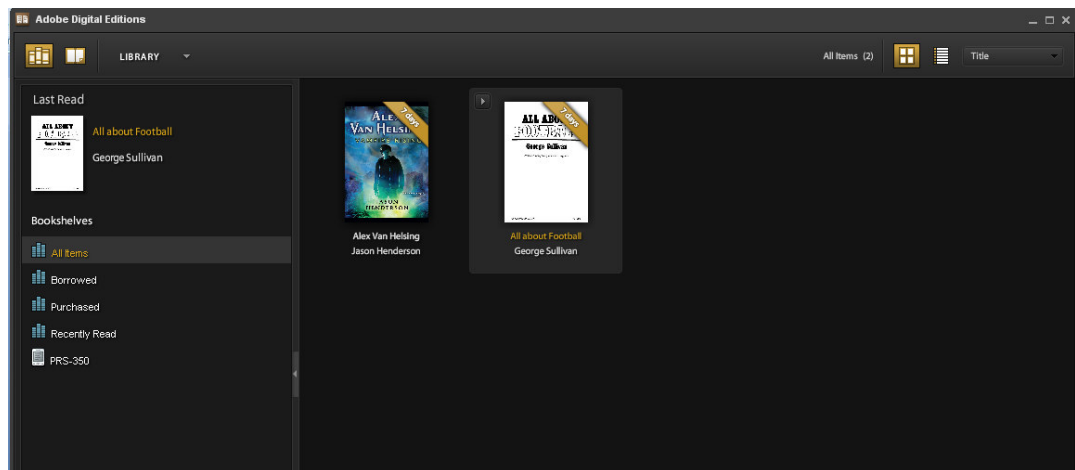

Connect the Sony eReader to your computer – If this is the first time you have used the Sony eReader you will need to run the 'Reader Library' installation wizard for either Windows or Macintosh. (The Sony Reader Library can also be used to transfer titles. See below)

Open Adobe Digital Editions

Click on the downloadable Adobe eBook to be transferred.

Drag the Adobe eBook to the PRS-350 icon on the left pane of Adobe Digital Editions.

When transfer is complete the eReader can now be disconnected and your book is ready to read.

OR, to transfer eBooks using the Sony Reader Library:

Open the Reader Library

Plug your Sony eReader to your computer via USB.

On the left side of the Sony Reader Library, click on 'eBook store'. A page opens in the Sony Reader Library. On the top right corner, click 'Log into your Account'

Once you are logged in, click 'Manager Devices'

Authorize any devices that you want to use. Be sure to authorize your computer and the Sony eReader so that you can download books from Library2Go.

Once your computer and reader are authorized, you can download eBooks from Library2Go. The .acsm file downloaded will automatically open in the Sony Reader Library and the eBook will be downloaded to your computer. To transfer eBooks from the Sony Reader Library to the Sony eReader, drag the file you wish to read into the 'Reader' tab on the left.
