FRIENDS OF THE FERN RIDGE LIBRARY

A library outranks any other one thing a community can do to benefit its people. It is a never failing spring in the desert.

Who We Are

The Friends of the Fern Ridge Library is an all-volunteer 501c3 non-profit group founded in 1991. We freely give of our time and talents to make the Fern Ridge Library an *even better* place for all in our community.

What We Do

- * Maintain an association of persons interested in books and libraries.
- * Strengthen and expand library services.
- * Stimulate the use of the library facilities as a resource center for the community.

How We Do It

- * Sponsor monthly cultural, informative, and entertaining activities.
- * Sponsor regular book sales to raise funds for programming and media.
- * Help fund summer reading programs.
- * Buy books and other items to supplement the library's budget.
- * Offer an annual scholarship, using funds donated for that purpose, to a promising student from the community.
- * Support other parts of the library family.

We have a committee that oversees book sales and another responsible for the monthly community programs. New members are welcome on both committees. Other committees are formed as needed.

Book Sale

Our book sales are the main source of our income. We sponsor big book sales in February, May, and October, as well as the every day and special seasonal book sales.

If you want to help, please let us know!

Call 541-935-7512 or email us at friends.fernridgelibrary@gmail.com.

It's easy, fun, and you meet a lot of really nice people!
