## Who We Are

The Friends of the Fern Ridge Library is an all volunteer 501c3 non-profit group founded in 1991. We give our time and talents to make the Fern Ridge Library an even better place for all in our community.

## What We Do

- Maintain an association of persons interested in books and libraries.
- Strengthen and expand library services.
- Stimulate the use of the library facilities as a resource center for the community.

## How We Do It

- Sponsor regular book sales to raise funds for programming and media.
- Help fund summer reading programs.
- Buy books and other items to supplement the library's budget.
- Offer the Sandra Larson Memorial Scholarship annually, using funds donated for that purpose, to promising students from the community.

## Book Sales

Our book sales are the main source of our income. We sponsor big book sales three times a year, as well as special seasonal book sales and the every day sale stand in the library.
