Inclement Weather Delays/Closures

Employee safety is of concern during library service for days with inclement weather.

As a General rule, Fern Ridge Library will follow the schedule reported by Fern Ridge School Districts (FRSD). Because our start time is about 2 hours later than school time, we will adjust the delay/closure accordingly:

1. If a delay in start time is declared by FRSD, the library will open on time.
2. If a closure is declared by FRSD, the library will delay by 2 hours, or close, using these information resources for direction:
